About Helvetica Swiss Commercial Real Estate Fund

The Helvetica Swiss Commercial real estate fund («HSC») is an open contractual real estate investment fund under Swiss law open to all investors. The fund is suited for long-term value investors interested in a stable and consistent cash-flow. The fund invests in commercial properties with value appreciation potential across the most dynamic economic regions in Switzerland. The focus is on potentially undervalued properties with an attractive cash-flow yield. The fund manager pursues an active hands-on management approach to unlock and realize hidden potential in the properties by means of revitalization, renovations, vacancy reductions and lease extensions. The long-term goal is to build a broadly diversified portfolio by region, type of use, object size and tenant mix.
